- 2) How many parts are there to it?**
- 3) What is the connection between the two parts?**
- 4) How do Christians use the Bible now?**
- 5) Who founded the Christian religion?**

### **Activity Two**

#### **The Nativity – Story**

### **Activity Three**

**Now that we know who the founder of the Christian religion is we need to find out more about him. For a few minutes close your eyes and imagine what kind of a person he is. Concentrate on him. When you have opened your eyes you will be put in teams. In the teams you will have a discussion, each of you in turn will describe to the other members of your team what you saw when your eyes were closed.**

### **Activity Four**

**After you have done that you will have to think of one word that describes the person you saw and write it on a list. We will then go round at the end of the lesson and ask each one of you what you saw.**
